NOTES AND ORDERS

T

The chief defect noticed in the Trust Board accounts for 1908-1909 was the omission to enter details such as extent of land &c in the Amtehalikas and that points have been disposed of in G.O. of 18th Instt.

2 The Chairman's present letter deals with the other defects noticed by the auditors. They are chiefly as the following :-

(a) Incomplete entries in the Register of Trade properties.

(b) Allowing tenderers to modify their tenders subsequently

(c) Substantial delaying in auctions of the materials and remitting part of sale proceeds without filing any sale list

(d) Exceeding sanctioned estimate.

The first defect is being rectified and some of the sale lists connected with (c) have been found. Mr. Deung says that the work connected with the Chetmahalli Health Camp was done under orders of the immediate authority. The Chairman has not offered any explanation in respect of defect No. (d).

Mysore City Improvement Trust Board,
Chairman's Office,
Dated, Mysore, 6th February 1912.

From

C. Madhavaraja Iyer, Esq., B.A.,

Chairman of the Board of Trustees,
Mysore City Improvements.

To

C.S.Balasundaram Iyer, Esq., B.A.,

Secy. to the Govt. of His Highness the Maharaja
of Mysore, Gen and Rev. Departments.

Sir,

With reference to your letter No.9198/M1.88-10-18 dated the 10th May 1911 forwarding for remarks a printed -- copy of the Auditor's Report on his audit of the Trust Board Accounts for the year 1908-09, and in continuation of this office letter No.124 dated the 10th July 1911, I have the honour to state as follows:-

(1) Paras 8, 9 and 10. The defects noticed in these paras have since been rectified. The ad interim receipt books are now being got written only in ink. The challan books in use and the pages in them are numbered. Certificates are attached to the books of receipts as to the number of pages contained in them.

(2) Para 12. The Cashier of the Chairman's -- Office has been directed to furnish a security of Rs.100/- against Rs.50/- now deposited. The present incumbent holds the appointment sub pro tem. After these present acting -- arrangements cease, effect will be given to the above order.

(3) Para 13. The Registers of Trust properties (houses and lands) have been systematically maintained from 1910-11, endeavours being also made to check the entries and supply the omissions in the registers maintained during the previous years.

Lands sold in the New Dodda Holagere had been --- entered in the old Register of Sites This book was not -- perhaps examined by the Auditor

(4) Para 15 As regards the Auditor's observation in this para regarding the omission to record the details of the extent of land etc., in the mutchalika, the point has been fully explained in this office letter No 124 dated the 10th July 1911 to Government

(5) Para 21. Out of the three items of ------ "Miscellaneous Advances" noted, the one amounting to Rs 31'- being the value of stock issued to the Palace Maramat Dept, still remains to be adjusted The Executive Engineer report that the Palace Maramat Muktesar has been reminded several

several times.

The adjustment of the item of Rs.14 from the Palace Officer for acquiring certain land, was retarded by the unwillingness of the late owner Sowcar Mohaddin Sab. His nephew has since consented to accept payment of the above compensation. The property intended to be acquired being not a notified one, it has to be acquired by agreement which will soon be done.

The adjustment of Rs.195/- being the pay and allowance of Mr.Pranatarthahara Iyer, the late Sub-Division Officer No.I of the Trust Board, will be effected early after making out once for all what sum is due by him or he is responsible for to the Trust Board

(6) Para 26. The sale list connected with the auction sale for July 1908, was found in the file. This should have evidently escaped the notice of the Auditor.

As for the list for September 1908, it has been somewhere mislaid and is under search.

The monies realised from these sales have been duly credited to office and the lots for which amounts were not realised, were kept back for future sale

The Sub-Overseer's report dated the 25th August 1908 referred to in this para, was not to the effect that 7 shutters were missing after the possession

possession of the property was taken, but such was the condition before taking over its possession.

(7) Para 32. Recoveries of loans as distinguished from principal and interest are separately shown now in the accounts.

(8) Para 34. House No.1592-3 was given to the use of the Police Department pending settlement of the question of -- compensation for the portion of the Police Station acquired by the Trust Board. The said properties were finally made over to the Police Department as per Trust Board's resolution No.X dated the 26th April 1911.

House No.3111 in Block No.4 was allowed to be used by the owner by the late Chairman, after the central portion of it required for the lane was removed. Steps will be taken either to recover the value of the property from the party or eject him therefrom.

House No.664(43) was allowed for the use of Chenna -- Chari pending payment of compensation for the house acquired -- from him. After making a formal award for the latter property, steps will be taken to take over the possession of the house in the occupation of the said Chenna Chari.

The possession of house No.1737 which was in unlawful possession of Hussainbi, has since been taken through the ---- magistrate.

On the recommendation of the Municipal Schools' Committee,

one of the Experimental houses which were deteriorating -- from disuse, was made available for a school house.

(9) Para 37. The mutchalikas noted in statement -- No.5 appended to the report, have since been found and are available for examination.

(10) Para 38. The "Basava figure" made of earth was consigned to Doddakere along with other debris.

Annas six in the case of mutchalika No.1 of Block No.4 was an excess payment due to oversight.

Details as to extent etc., of properties ----- relating to mutchalikas Nos.74 and 75 in Block No.91 (Fort) are entered in separate sheets attached to the respective files.

(11) Para 39. The existing procedure in the matter of acquisition of properties, is found to work well. Any changes or improvements which the Government may be pleased to direct, will be adopted.

(12) Para 41. In the case of properties the ----- materials of which are sold intact to the owners and others, the purchasers ought to demolish them and remove the ---- materials thereof, leaving the debris to be carted depart-mentally.

4

(13) Para 44. The furniture of the Chairman's Office is according to the sanctioned scale. A separate account of them will be caused to be maintained.

(14) Para 45. Acknowledgments of the Collection Staff are obtained in the Acquittance Roll Book of the office.

(15) Para 46. No collateral securities were hither-to obtained for loans granted. The properties that were to be benefited, were themselves accepted as securities in consideration of the individual merits of each case. The recent Government Orders conveyed in their Government Proceedings No.3849/Rl.292-10-2 dated the 20th November 1911, have remedied the defects that hitherto existed.

II I enclose herein the reply of the Executive Engineer, Trust Board, regarding the points noticed in the report in connection with accounts relating to the Construction Works.

I have the honour to be,
Sir,
Your most obedient servant,

Chairman.

Sir,

With reference to Government Order No.8646-7/M1.88-10-33 of the 16th May 1912, inviting attention to para 39 of the Auditor's report on the accounts of the Mysore City Improvement Trust Board for 1908-09, and calling for proposals if any regarding the modification of rules issued under the Land Acquisition Regulation No. VII of 1894 in Government Order No.6691-731/L.R.264-09-1 of the 9th April 1910, I have the honor to state as follows -

2. In my letter No.2432/C.A. of the 6th March 1911 submitting the Auditor's report I suggested for the consideration of Government that, as no details of compensation paid were furnished in the Muchulikas for acquisition of properties during 1908-09 and as the Mysore City Improvement Regulation was also silent on this point, the Regulation may be so modified as to require details being furnished in the Muchulikas. After further correspondence with the Chairman, Mysore Trust Board, and this office, Government have passed final orders in this matter on their No.6114-5/M1.88-10-31 dated 1st March 1912, observing that the method of valuation of any property acquired and the determination of the amount fixed for payment to owners should form part of the agreement pending the signature of any agreement and that in cases where agreements are not executed

Sir,

With reference to Government Proceedings No.3646-7/M1. 88-10-33 dated the 16th May 1912 and subsequent reminders, calling for a further report on the completion of points noticed in the report on the audit of the Trust Board Accounts for 1908-1909, I have the honour to state that the points that were reported to be incomplete in this office report No.201 dated the 6th February 1912, were those mentioned in sub paras (2), (5), (6) and (8) of para 2 thereof, and the same are referred to hereunder:-

1. Sub para 2. In the matter of the Cashier of the Chairman's Office furnishing a security of Rs.100 against Rs.50 now deposited. The present incumbent was holding the appointment of Head Clerk, sub-pro-tem, till 1st July 1912. After his reversion as Cashier, orders were issued for furnishing an enhanced security of Rs.100. His deposit amount has risen at present to

to Rs.70/-. The balance will be recovered in monthly instalments hereafter.

2. Sub para 5. Adjustment of the Miscellaneous Advance amounting to Rs.312-4-0. The Executive Engineer, Trust Board, reports in his No.1238 dated the 6th November 1912 that the amount has since been recovered and adjusted.

3. Ibid. Adjustment of Rs.14 received from the Palace Officer for acquiring certain land that belonged to the late Sowcar Mohadeen Sab in Nazerbad. After the death of Mohadeen Sab, notice for appearance was issued on the 19th January 1911 to his nephew, Syed Mir Mahomed Sab. Though he consented to purchase the Trust land near his house and have the needful adjustment made in the accounts of this office, he failed to appear and is reported to have since died. On the 1st November 1912, notice was again issued to the sons of the deceased, viz., Syed Yakoob and Syed Ahmed. In response to this notice, a reply has been received that the elder member is not in Mysore and that after his return from Heggadadevankote, they will appear to have the case settled. They have not up to now appeared before this office for settlement. The property is one not declared in the Gazette for acquisition, and as such, the settlement has to be effected only by agreement for which the appearance of the parties concerned is awaited.

4. Ibid. Adjustment of Rs.195 being the pay and allowance of Mr.Pranatharthihara Iyer, the late Sub Division Officer No.2 of the Trust Board. A sum of Rs.516-12-0 is shown in the Division Office books as the amount of stock articles issued by him to certain persons in the Idga and Jalapuri Extensions without recovering the value thereof. For want of proper vouchers, its recovery from the persons concerned is rather difficult. In 10 out of 28 cases in which the materials were so issued, acknowledgments for the receipt of stock articles and the liability of the recipients to pay the value of articles respectively taken by them, have since been obtained. Till similar acknowledgments are secured in the remaining cases for which endeavours are now being made and the Trust Board is assured that Mr.Pranatharthihara Iyer is freed of his responsibility in this respect, disbursement of his pay and allowances already withheld, cannot be made.

5. Sub para 6. Auction Sale List for September 1908. With all the search made, the sale list in question has not been found.

6. Sub para 8. Trust house No.3111 in Block No.4 allowed to be used by Ghouse Sheriff, the original

original owner. This has been subsequently sold to Walia Bee, wife of the said Mouse Sheriff, and his son Jaffer Sheriff, and the value thereof viz., Rs.84-4-0, is being recovered in instalments.

7. Ibid. Trust house No.664 allowed for the use of Chenna Chari. The possession of the house was taken back, and being insanitary it was since demolished.

8. Ibid. Experimental house in Idga that had been left for a school-house. This house has since been sold to one Rukma Bai.

9. Ibid. Maintenance of an account of furniture of the Chairman's Office. The furniture of the Chairman's Office is in accordance with the sanctioned scale. The maintenance of its account has been ordered.

I have the honour to be,
Sir,
Your most obedient servant,

Chairman.
